SECOND BAPTIST CHURCH

WHERE BELIEVING AND
DOING ARE ONE

OUR VISION

"The grace of Jesus Christ calls us into a community of faith embracing God's justice and love for all. We draw upon the stories of the past for insight, the experiences of the present for instruction, and the hope of the future for inspiration. We welcome all who join us in this endeavor through worship, education, mission, and service in the name of Christ."

Who are American Baptists?

We are one of the most diverse denominations in the US. We actively celebrate and embrace the racial, cultural, and theological diversity witnessed within our membership.

All are welcome in this place.
